Portrait Photography

Photo Op Studio gives you one price for your session and your image files. We provide all of our clients with two private galleries. A download gallery and a print/product e-commerce gallery for great products such as wallet-size prints to large canvas wall art. All products are produced by Bay Photo Inc out of California and ship directly to you. Both galleries provided will be live for up to 60 days after your scheduled session. You may share your private links with anyone you wish. All print/product prices are in addition to the session pricing below.

Portrait Sessions:

- **30 minutes (mini)** For seniors/couples/families (up to 3 ppl) \$350

Includes 10-15 beautifully edited images, fully retouched for download and print. Includes printing rights. Clients will have 2 links, one for download of high resolution jpeg files and the other for ordering prints and other amazing products.

- **60 minutes** For high school seniors & single family \$650

Includes 25-30 beautifully edited images, fully retouched for download and print. Includes printing rights. Clients will have 2 links, one for download of high resolution jpeg files and the other for ordering prints and other amazing products.

- **120 minutes** For high school seniors \$1000

Includes 40-50+ beautifully edited images, fully retouched for download and print. Includes printing rights. Clients will have 2 links, one for download of high resolution jpeg files and the other for ordering prints and other amazing products.

- **Generations Session** For multi-generation family sessions Starting at \$850

The multi-generation family portrait: an heirloom of unmatched value. Scheduling a Generations Session with Ron ensures that your family's current moment in history is documented and immortalized.

Printing:

Photo Op Studio e-commerce site has high quality print products provided by BayPhoto out of California. From wallets, 8X10's, stretched ready-to-hang canvases to mouse pads and so much more. With a user-friendly interface, ordering online is simple and the product ships directly to you. We accept all major debit and credit cards. All orders have a 7-10 day processing period where we do the necessary editing to ensure your images are truly print ready. Once your order is ready for print processing our printing facilitator then processes your order and ships it directly to you within 14 business days.
